HONOR FLIGHT Tri-State BEGINS A NEW SEASON

Cincinnati, OH – HONOR FLIGHT Tri-State is a Cincinnati –based Non- profit organization created to honor America’s Veterans for their sacrifices by providing them a free trip to visit their memorial in Washington DC. Honor Flight is dedicated to making a dream come true for these ordinary people who gave so much to our country.

The National World War II Memorial in Washington DC was dedicated in 2004. Regrettably, the overwhelming majority of the “Greatest Generation” - now mostly in their 80’s and 90’s – will pass away without ever seeing the memorial it took over 60 years to build. We are flying World War II veterans on all expense paid trips to their memorial, for a day trip of their lives .

Trips are scheduled for July 21 and then again in September 15. An October trip is also being planned. We are now looking for eligible veterans to go on the trip. It is easy to apply – just go on line on our website www.honorflighttristate.org and go to the Veterans section. If you do not have Internet access – please call our hotline number 513 277-9626, to request an application.
